### **A. Personal Information .I**

**First Name:** Ghasem

**Last Name:** Sobhani

**Date of Birth:** 19.6.1964

**Marital Status:** Married, 2 children

**Tel: (office)** (+98 76) 33666367-8

**Fax:** (+98 76) 33670724

**E- mail:** ghasemsobhani@yahoo.com

## B. Education .II

Degree	Field	Institution	City	country	Date
M.Sc.	Anesthesia	Shiraz Medical Sciences Univ.	Shiraz	Iran	1991
B.S c.	Nursing	Kerman Medical Sciences univ.	Kerman	Iran	1988

## C. Academic Appointments

<u>Year</u>	<u>Academic Rank</u>	<u>Institution</u>
1992-1996	Faculti member (Lecturer )	Hormozgan Univ.
1997-2000	Lecturer & anesthesia group	Hormozgan Univ
2001-2015	Faculti member (Lcturer)	Hormozgan Univ.

## D. Trainings Passed

2001 1 day “Evaluation & analysis of examinations” Hormozgan Medical Sciences Univ.

2002 4days “ international anesthesia first congress in Shiraz Medical Sciences Univ.

2003 2 days “Advance education Method” Hormozgan Medical Sciences Univ.

2004 2 days “Article writing in Persian” Hormozgan Medical Sciences Univ.

2004 1 days “poster presentation in English” Hormozgan Medical Sciences Univ.

2004 1 days “Case study & Letter to Editor” Hormozgan Medical Sciences Univ.

2004 2 days “Lesson planning” Hormozgan Medical Sciences univ.

2004 1 days “problem base Learning” Hormozgan Medical Sciences Univ.

2005 2 days “Lesson & course planning” Hormozgan Medical Sciences Univ.

2005 2 days “Standard & Analysis Tests” Hormozgan Medical Sciences Univ.

2006 3 days “Education & Evaluation Methods & Questions design” Kerman Medical sciences Univ.

2006 2 days “Cultural & scientific consultation for students” Yazd Medical sciences Univ.

2006 2 days “Teaching and learning in ISLAM” Qom Medical sciences Univ.

2006 1 day “Medical ethics” Tehran Medical sciences Univ.

2006 2 days “Research skills (primary & Advance)”Sari Medical sciences Univ.

2006 4 days “Paper Sciences writing” Iran Medical sciences Univ.

2006 4 days “electronically references Searching in Internet” Mashad Medical sciences Univ.

2006 6days “Emergency Medical services course workshop”  
Tehran Medical Sciences Univ.

2006 2 days “Teaching and learning in ISLAM” Qom Medical sciences Univ.

2006 6days “Emergency Medical services course workshop”

2007 2days "Educational quality programs" Shiraz Medical Sciences Univ.

2007 1 days “Effective communicating between student and teacher”  
Hormozgan Medical Sciences Univ.  
Tehran Medical Sciences Univ.

2010 3 days” “11<sup>th</sup> Iran medical education conference”Tehran.Iran

2011 6 days“ Ceremony teaching&training in Islam (ziafat) ” Hormozgan Medical sciences Univ.

2011 1 day“ Computer security workshop” Hormozgan medical sciences Univ.

2012 1 day “2<sup>th</sup> Qoran congrees ” Hormozgan Medical Sciences Univ.

2012 3 days“ national trauma conference” Bandar abbas.Iran

2012 2 days “ Student evaluation &Test analysis workshop" Hormzgan Medical Sciences.Univ.

2012 1 day “ New clinical evaluation workshop ” Hormozgan medical sciences Univ.

2012 3 days“ Professional ethics (ziafat) ” Hormozgan medical sciences Univ.

2013 1day “ OSCE workshop” Hormozgan medical sciences Univ.

2013 3 days“ Emergency medical teachers workshop” Tehran Ministry of healts&medical training .

## **E. Publications**

- A Survey of infection rate and the common methods of disinfection of the anesthesia instruments in the Bandar Abbas University of Medical Sciences Hospitals ,Hormozgan Medical Journal ,2000.
- Suicide risk factors between those who committed suicide ,Hormozgan Medical Journal ,2002.
- Children's growth curve from birth to 24th month of age in Bandar Abbas traputic&he alth centers,Hormozgan Medical Journal ,2004.
- Impact of hemodialysis on QT intervals and QT dispersion and corrected dispersion in hemodialysis patients ,Hormozgan Medical Journal ,2008.
- Effects of clonidine on the homodynamic changes of electroconvulsive therapy,Hormozgan Medical Journal , 2008.
- The comparison effects of alfentanil and remifentanil on cardiovascular responses to laryngoscopy and tracheal intubation, Hormozgan Medical Journal 2012.
- The comparison video laryngoscopy with direct intubation for surgical patients who needed tracheal intubation in sh.mohammadi hospital Bandar Abbas.Anesthesiology Journal , 2013.
- Investigation of preparedness level of the hospitals againts disasters in Bandar Abbas , Iran , in 2012 .Pakistan medical journal ,2014( ISI )
- Sharps injuries in the operating room , Japanese Society for hygiene ,2014. (pub med )
- Insensitivity to pain due to genetic mutation, Hormozgan Medical Journal 2014.
- The comparison effects of magnesium sulfate and remifentanil on cardiovascular responses to laryngoscopy and tracheal intubation , Anesthesiology Journal , 2014.

- Assessment of factors affecting on pre-operational reducing FBS before elective surgery in children in three SUMS ( Shiraz University of Medical Sciences) 1392.

## **BOOK:**

-Introduction to anesthesia . Tehran.Jameenegar press,2011.

-Questions bank for medical emergency students.Tehran.Simin dokht press, 2011.

-Step to step education for Anesthesia in the heart surgery and angiography Tehran .Andishe rafie press,2015

## **F. Experience:**

“Anesthesia methods”

“Principle of Anesthesia”

“Anesthesia for operation room students”

“Clinical skills in operation room for Anesthesia students”

“Emergency Medicine for Anesthesia students”

“Emergency Medicine for operation room students”

“Basic life support for medical emergency students”

“Advance cardiac life support for medical emergency students”

“Adults & neonatal CPR education workshop”

“Air way management education workshop”

## **F. II. Clinical / practical:**

“Anesthesia for general surgery, urology, orthopedic, neurology, Pediatric, GYN, Eye, ENT, geriatrics, psychological, Emergency ward, ICU, Recovery room,

“Advance life support for medical emergency students”

## **G. Research Projects**

- The comparison effects of alfentanil and remifentanil on cardiovascular Responses to tracheal Intubation in patients refer to operation room Shahid Mohammadi hospital. Badar abbas 1385-1386
- Children s growth curve from birth to 24<sup>th</sup> month of age in Bandar abbas traputic&health centers.
- Assessing the level of preparedness for confronting crisis in Bandar Abbas hospitals, 2011.
- Study of the level of propensity to outsource based on hospital services features from the perspective of managers and staff in hospitals of Bandar Abbas university of medical sciences, 2012.
- Investigation of potential errors of risks of operating room processes in shahid mohammadi hospital , Bandar Abbas ,Iran using the FMEA method ,2012 .

- Poster presentation in International congress Anesthesia & Intensive Care Shiraz university of Medical sciences, 2002.
- Poster presentation in 11th International congress Anesthesia & Intensive Care Ahvaz, 2011.
- Assessment of different technique of preoxygenation in general anesthesia.
- The comparison effects of alfentanil and remifentanil on cardio vascular responses to laryngoscopy and tracheal intubation.
- comparison of pethedine with magnesium sulfate in treatment of post operative shivering.

- The comparison effects of general anesthesia and spinal anesthesia on apgar scores of new borns after cesarean section.
- Poster presentation in the first regional (EMRO) congress on Tobacco and Health .Chemical final products of smoking ,2009.
- The comparison cuff pressure of tracheal tube after water and air injection in general anesthesia. 11<sup>th</sup> congress of Iranian medical sciences student Bandar Abbas, 2010.
- Changes of gastric fluid PH in patients receiving preoperative oral sodium citrate.11<sup>th</sup> congress of Iranian medical sciences student Bandar Abbas, 2010.
- Poster presentation in International congress Anesthesia in Germany  
A report of three patients with valvular heart disease who needed anesthesia for their surgical procedures,2011.
- The comparison effects of alfentanil and remifentanil on cardiovascular Responses to tracheal Intubation in patients refer to operation room Shahid Mohammadi hospital, Bandar abbas ,Trauma Congress , 2013.
- Poster presentation in second International Anxiety Congress Tehran ,Iran.  
The effect of preparatory education to reduce anxiety in pre-surgery adults patients in Shahriar hospital , Tehran , in 2014.
- Poster presentation in second International Anxiety Congress Tehran ,Iran.  
Prevalence of anxiety in pre-surgical patients in Shahriar hospital in 2014.
- Blood ordering and utilization in Shahid Mohammadi hospital ,Bandar Abbas.2015

## **I. Students Supervised**

(Anesthesia & Operation room & Medical emergency students) 2000-2015.

## **M. Research Interests**

In Anesthesia, Emergency Medicine, Cardio vascular system.

## **O. Referee**

H. Jarineshin , Anesthesiologist, Bandar Abbas University of Medical Sciences, Anesthesia Department.

S.Kashani , Anesthesiologist, Bandar Abbas University of Medical Sciences, Anesthesia Department.

J. Slami , Faculty member (Lecturer), Nursing Midwifery and paramedical Science school shiraz University of Medical sciences.

M.S.Golvardi yazdi. Faculty member (Lecturer), Nursing Midwifery and paramedical Sciences school Hormozgan University of Medical sciences.
